A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction/work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits require final inspection.  
 \*A separate permit is required for each residence, or building.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
